## **Business Training and Support**

**Ensure your Trainers deliver top-shelf training to your employees.**

### **Every Time**

**We provide Training and Assessment services to enhance what's provided by industry. We provide in-depth instruction on how to transfer skills into the workplace.**

**Your trainers will learn:**

- **Design Learning – Design and develop learning programs to meet learner needs in your workplace and/or industry.  
Every time.**
- **Deliver and Facilitate – Plan, organise and deliver group- based learning. Apply learning design to deliver and facilitate actual training in your workplace.  
Every time.**
- **Assess – Plan assessment activities and processes. Assess competence and participate in assessment validation, ensuring properly applied assessment – which means increased efficiencies in your business.  
Every time.**

**JMH Consulting has a proven record of sustainability with the methodologies used to train students to ensure their skills are passed along. Language and literacy is designed for staff at a level suitable for their workplace. A 100% competency rate has been achieved for 6 years. Sustainable education requires the steadfast engagement you get with JMH.**

**Every time.**
